

Apple Carmel Cobber

Ingredients

- 2 large cans fruit pie filling
- 1 box cake mix
- 1 stick butter
- 1 cup brown sugar

Directions

Empty content of cans into the Dutch oven. Spread evenly.

Sprinkle the brown sugar evenly over the top of the fruit.

Sprinkle cake mix over top of the fruit / brown sugar.

Cut butter into 1/8" thick pats and arrange them over top of the cake mix powder.

Bake

Bake at about 350° for 30-45 minutes (until brown and bubbly).
