

Cinnamon Pull-a-Part

Prep Time: 35 minutes

Total Time: 35 minutes

Ingredients:

- 1 1/2 cups sugar
- 3 cans biscuits
- 1 stick butter or margarine
- 1 tablespoon cinnamon

Preparation:

Mix the cinnamon and sugar in a container and set aside. Melt butter and open cans of biscuits. Dip biscuits one at a time in the butter and then in the sugar and cinnamon, making sure each biscuit is fully coated. Place each coated biscuit in a bundt pan. Place bundt pan in a Dutch oven. Depending on the size of the Dutch oven, place 8-10 coals underneath and double that for the top. It should cook in 30-35 minutes. When it has cooked, take the bundt pan out and turn it over onto a pan or big plate. Use a fork or fingers to eat.
